CVC Word Games A great way to practice with conprove-vox-conpromps words is to find activities where students will build them with different manipulative. For example, you can ... 1. Have laminated cards that have a picture and a CVC word with the missing letter. Using the image as clues, children can use the dry wipe tag to fill in the missing letter. 2. They provided a picture and three blank boxes. Alphabet magnets kids will build a CVC word that matches the picture. 3. Have a picture and alphabet cards. Kids pick a picture card and then build a CVC word with their alphabetical cards. Below are the pictures that examples of these activities. CVC Words with images It is also very important to provide images when you first start working with CVC words. These images will help students begin to internalize the segmentation process and mixing three sounds to make a word. Hands-on activities for this may include ... 1. Looking at the CVC word and three different pictures. Using their letter-sound knowledge they will sound the CVC word and identify the image that corresponds. 2. CVC word puzzles are another great way to practice. Having an image track will allow children to see which pieces belong to each other. CVC Word Printables Finally, I wanted to have printables ready for my fast finishers, homework, and as well as another resource to help kids build fluency with reading and writing conpromps-vo sound-conpromps of words. If you think your students would benefit from any of the above activities, you can catch them here: CVC Word Unit This post contains affiliate links. As an Amazon Associate, I make money from skilled purchases. Do you ever find yourself stuck when you're trying to think of short vo vo vo vo vouchers for your budding reader?
